Sandy and family, I am thinking of you all during this difficult time; I went through the experience of losing my mother in 2010. My heart goes out to you all, and I am wishing you peace to bring you comfort, courage to face the days that will be ahead and that all your loving memories you have of your mother to forever held in your hearts. My thoughts and prayers are with you all. Joy (Erickson) Brewer originally from Kingsford-Sandy's college friend.

Johnson Family, so sorry to learn of Agnes death. I'll always remember the good visits at State Farm functions with her and husband Bill who I always enjoyed and admired. We always had a lot to talk about as they knew my family from way back. Agnes was such a positive person and fun to be around. My thoughts are with you during this sad time.

Returning to Marquette from an out of state trip, I just read of the passing of Anges and wish to share my deepest sympathy, love, thoughts and prayers to all her dear loved ones. Though having lost touch over the years, I fondly remember childhood visits to Agnes and family with my parents, Eugene and Saima Latvala
