Brian was always a great guy. He was outgoing, loyal, and always good to be around. All of his good qualities were truly genuine and never artificial. If more people had a truly amicable core such as Brian's, the world would be a much better place. And, with that being said, not only Kenosha County, but the world is a lesser place with this loss. All memories of Brian in my mind are, and always will be of good times shared. It was just a few days I told a story about him from when we were both much younger and having fun. In my mind, his memory will always be of good times with a great guy because I never experienced anything other than that when I was around lil' Brian.

My profound condolences to Brian's entire family on our collective loss. The pain that I feel in my heart for my dear nephew cannot approach that of Todd's, Tammy's, Britt's, Grandpa Joe's and Grandma Barb's even deeper grief and pain... That is, how can one measure one's sense of loss against that of the parents? Brian's beloved fiancée Brittany? His Grandpa Joe who inspired him throughout his whole life and Grandma Barb? My dear nephew, Rest in Peace. You will be remembered and missed forever. With eternal love... Uncle Brad
