Dear sweet Lisa, may you rest in abundant peace, the world is now a little darker, a little colder, without the warmth and light of your beautiful soul. I thank you for the encouragement and support you gave me throughout my difficult times, you will never be forgotten, and we will meet again in Paradise. I have lost another piece of my heart...

Lisa is one of the first people I knew after moving to Bristol. She was kind enough to let Mikaela play on her Tball team when she was only 4. We've played ball with Lisa and Molly for nearly 7 years now. She was a strange and wonderful spirit who will be missed. Please let us know if there is anything we can do for you or the girls. With love, Mick, Katie, Mikaela, Hannah and Julia

I met Airman Lisa Holst in 1991 at Sheppard AFB where I was honored to be her Chaplain. For some reason (God) I googled her name and am absolutely heartbroken... Dorothy & Molly, your mom was a beautiful spirit and I was honored to call her friend. May she rest in peace and may we keep her spirit alive in our hearts...
