In your grief, we celebrate the life of your dear mother. She was extraordinary. Whenever I hear the words HoHo used together, I always think of the world's greatest HoHo cake maker. Her heart was as sweet as those cakes. Your family is always in our hearts and prayers even though we are in Southeast Asia.

Dear Family, I am truly sad for the passing of such a beautiful, kind, soul. I will always remember how Louise comforted, prayed with, and accepted me at a very confusing time in my life. I still, after many years, have the thoughtful cards of encouragement and heartfelt love that carried me when I couldn't face the day. I felt so loved and blessed to have known her. My heart felt prayers are with you all. Love, Misti

My deepest heartfelt condolences. I am so sorry I missed your Mom's funeral. Your Mom and her Mom Magdalena touched our family deeply. I am sad the timing for our dinner didn't work out, she said when she was feeling better she'd come. :) I'm glad I always let her know how much she meant to me. I will always think of her fondly. I'm glad we'll get to eat together some day.
