I am so sorry to hear about the passing of such a sweet amazing lady. By knowing Honey, I have truly learned the cycle of life as I watched Sarah so preciously taking care of her. Picking her up, taking her to lunch and just enjoying the time she had with her. I am truly blessed to have known Honey! My heart goes out to all family members during this difficult time in your lives. I pray you all find peace just as Honey has found peace in our Lord Jesus Christ!

My condolences to the Walker Family. Your mother was a very special person. She was also my God Mother and always remembered the special events in my life with a kind gesture. She was a warm and loving person. Heaven is a better place with her there.
