Obituary:

Ryan R. Pacetti, age 24 of Kenosha, passed away unexpectedly on Sunday, October 26, 2014, due to injuries sustained in a motorcycle accident.

Born on October 21, 1990 in Kenosha, he was the son of Robert M. and Laura C. (Phillip) Pacetti. Ryan attended local schools, was a Tremper High School graduate and attended UW-Parkside.

Following high school, Ryan was employed with Burger King, Top Choice Rental and was currently employed with Menards since 2010, working in the Kenosha location and most recently as Hardware Manager at Menard's in Antioch, IL.

As a young child, he took pride in caring for his parent's yard and taking care of their snow removal. He quickly became the preferred neighborhood snow service. Following a recent storm, Ryan quickly came to his neighbors' aid, removing downed trees with his truck and chains-always there to help friends, neighbors or anyone in need. His neighbors will always remember Snowmageddon, where he worked clearing snow up to their gutters. He may have been nicknamed "Little Ryan" but that never stopped him.

Ryan loved staying active, he enjoyed skate boarding, snowboarding, mountain biking, driving his truck, VW GTI Turbo and riding his motorcycles. He recently found a new passion in physique training. He was a member of the Pleasant Prairie Rec Plex, Anytime Fitness, Charter and Snap Fitness. Ryan was also a

member of Team Iron Nation where he won 3rd place in the NPC Badger State Competition, only a few weeks ago.

Ryan will be deeply missed by his parents, Robert and Laura Pacetti; his sweetheart, who he loved with all his heart, Nichole Bletsch and several loving aunts, uncles, cousins and countless friends.

He was preceded in death by his maternal grandparents, paternal grandparents and two uncles.

Condolences

I am so sorry for your loss, I met Ryan when he was younger through Missy. he was so funny, and I would joke with him often. I saw him recently and even joked with him that he had grown up to such a handsome young man... and his mom would be proud of him. You and your family are in our thoughts and prayers.

My deepest sympathy goes out to the family and friends of Ryan. He was a great boyfriend to my best friend Nichole, a wonderful caring son to his father and mother and a wonderful hardware manager at Menards who had great potential in the company. He will be missed because he touched so many.

Ryan, from Tremper on I knew you were an awesome guy. You were crazy smart with cars and Motorcycles and their statistics, with business operation and management, with personal training...man with everything you put your mind on, you nearly mastered the entire working. It was a huge honor being able to know you and call you my friend. You helped me in a huge time of need and I'll never forget that. Within 5 minutes of my question, you set everything up for me and opened up a HUGE opportunity as well as welcomed me into a new type of family - Menards. We had fun, crazy times on the Bikes, at Critter's fires, with all our friends and even in Antioch messing with the GM's and employees and not to mention schooling them(hahaha). When it comes to caring; Ryan, you were the person people could rely on for anything. Fixing things, cleaning up a mess, or just being there for someone it's no doubt you were the best among us all. And the Love you had for Nichole, the great things you had to say, explained about and had stories with was one of the sweetest things. You and her are the best couple I have seen..ever. The amount of Love was just insane you both have. To Laura, Bob, Nichole and everyone else in Ryan's family. Ryan will be deeply missed by all of his friends. I am so sorry for our loss and it is not fair. I only hope the closing you will go through will be as painless as possible and I am ALWAYS here for you all. I am more than positive that goes for any of us who were great friends with Ryan. Ryan, may you rest in eternal peace. Watch over all your riding brothers, your family and your love, Nichole. You will never be forgotten. Love you man, -Jordan

Ryan, we will never forget how much of a help you made transitioning us in to Kenosha and Menards. I'll (Ryan B.) never forget the lessons you taught me at Menards. (From Brittany), It was always fun visiting you and Ryan at Menards. You guys had such a crew there. We will always keep you in our hearts. Our deepest condolences to your family and your girlfriend. We hope the pain eases for them by knowing how much of an impact you had on other people's lives. We are truly glad to have met you.

I was only beginning to get to know him. We met at Two Wheel Tuesdays and quickly found our mutual interests. During the time we knew each other he was polite, respectful and lots of fun to chat with. My deepest sympathies go out to his family, loved ones, and friends.

Ryan, it's so hard to believe you are really gone.. I remember all the times in class where you'd just crack jokes with me and when I was having a bad day you'd know exactly what to say just to put a smile on my face. Or even at work when you would just act so silly all the time. Or even at the bars when you'd just talk so crazy (but in a good way) I'll hold onto the memories forever. ? you'll be sadly missed ryyyy. Rest in peace buddy ??
