Dear Scot and Family< I am so sorry to hear about your wife and stepmoms passing. We grew up just doors from each other in Grass Lake, Illinois. I can't tell you how many memories we have together. She and her family are some of the nicest people I have ever met in my life. I have nothing but good to say about all of

them but especially Sue. She was ALWAYS laughing and smiling. She was one of the funniest people you could want to know and the most optimistic. I do hope you find some peace in her passing and hope that her contagious personality never leaves your hearts. While life took us down different paths in different areas, I can assure you that there was no distance too far for us to pick up right where we left off because that is how she was. My heart goes out to all of you and we are praying for you to go forward with strength. Knowing that time is short and she would want you to move forward with the same happy spirit that she showed this world while she was here!

My thoughts and prayers are with you all during this very sad time. Susie was like a part of our large Moose family. She is in the arms of her mom and dad. An angel watching over all her loved ones

I am sorry to hear of her death. She was beautiful inside and out. I am sorry her time on earth was so limited. How did she die? It was a shock to my system.
